

REWARDS FOR YOU!

EMPLOYEES CAN EARN REBATES ON MEMBERSHIP.

The **YMCA Corporate Wellness Program** has a reward for employees of our qualified companies that reach a workout goal at the YMCA. We know everyone needs an incentive to maintain an active lifestyle, plus it improves your health and helps keep a positive attitude.

Work out 60 times in 6 months and your reward can be up to \$60 in Y Bucks!

These rewards are available to Corporate Wellness Program employees only. For your company to qualify for the Rewards Program, they must offer an employee incentive to join the Y, such as a membership subsidy. The YMCA offers rewards based on usage, which is tracked by scanning in your membership card when you visit the Y. Participants must be a YMCA of Metropolitan Milwaukee member and designate their employer in their membership records.

HERE'S HOW IT WORKS:

Employee visits to the YMCA of Metropolitan Milwaukee are measured twice each year, January-June and July-December. Rebates (Y Bucks) are mailed directly to employee at home address no later than 30 days after six month period.

For household memberships*:

- ◆ Employee visits YMCA 60 times in 6 months and will receive \$60 in Y-Bucks rebates that can be used at the YMCA for specialty classes, Kid Care, swim lessons, membership fees and more.

For individual memberships*:

- ◆ Employee visits YMCA 60 times in 6 months and receive \$30 in Y-Bucks rebates that can be used at the YMCA for specialty classes, Kid Care, swim lessons, membership fees and more.

*YMCA visits that qualify for the Rewards Program are only tracked at the YMCA of Metropolitan Milwaukee locations only.
