EXHIBIT: ECO ARTS

Opening April 10th, 2009 at 5pm (free event). This educational exhibit highlights the works of our school age youth and teens who've been involved in environmentally focused art projects, field trips to Mequon Nature Preserve, and working with visiting artist residents Nani Murphy and Lisa Uvena, all leading up to this exhibit. We invite all to stay for our Teen Action Counsel's free movie night. They will be showing "The Lorax" by Dr. Seuss starting at 6pm. All Eco-Art Field trips will include a tour of the show during the exhibit's run. (April – July of 09)
