

# Worried about Mom.... and your kids?

**You're part of the Sandwich Generation!**

**Our Sandwich Club is here for you.**

**The Sandwich Club** is for the **Sandwich Generation** – adults who may be caring for children at home but are also addressing the needs of aging parents.

Each month, at several convenient locations, we offer you sandwiches, support and a program specifically geared to the topics you want to know about in understanding – and assisting – your aging parents.

Our Wheaton Franciscan Healthcare professionals address tough issues and sensitive topics to help you have insightful conversations with the ones you love.
