# CLASS DESCRIPTIONS

## ConneXus Xtricity

The Milwaukee YMCA is the first in the world to introduce programming on the Matrix ConneXus Perimeter System. Be one of the first people to experience the newest innovation in cross circuit and fitness boxing programming. Scientifically engineered to create diversity in your training regimen that will increase your athletic performance. Choose from two distinct platforms maximize the unique training modalities available through this revolutionary ConneXus design.

### Fee: (Program runs monthly)

Member	\$25 1 day a week	\$40 2 days a week
Community	\$40 1 day a week	\$60 2 days a week (All Fee Based programs runs monthly)

## X-Circuit Training (Cross Circuiting Training):

**Parallels-** Traditional Interval Circuit training for results based fitness. Our trained and certified instructors will guide participants through stacked layers of progressive training dynamics. Each class will have specific outcome levers to maximize performance during individual work phases. Clear and focused coaching will guide participants as they toggle their training between timed and quantified circuit rounds. This module is perfect for those individuals who are interested in ramping up their work out through high and variable intensity training.

**Circuit Breaker-**The ultimate evolution in cross training has arrived. Our trained and certified instructors will guide participants through intense multi-layered progressive training dynamics. Each class is uniquely different and designed to catapult participants to a new threshold of athletic performance. Advanced sports specific, explosive power and speed dynamic training modules will help participants barrel through their plateau and increase their overall level of fitness. Expect to be challenged to your physical limits as you power through each circuit. This ADVANCED Performance module is perfect for individuals who have a solid and successful work out regime and want to progress their level of fitness.

## Boxing Specific (Fitness Boxing)

**strYkeForce!**- Impact based Fitness Boxing is has finally arrived! Now you can truly get into the fight with the premier of the Milwaukee YMCA's exclusive Fitness boxing program. Our trained and certified instructors will guide participants through traditional and advanced boxing specific calisthenics, sparring, shadow and heavy bag drills. Each class module will focus on building multiple striking techniques that will help pound through offensive and defensive fight patterns. Participants will be striking (punching) and spotting (holding) a heavy bag through out the work and must be comfortable with impact and partner work phases. This class will change your body and get you Fight ready by increasing your speed, power and endurance. Communal heavy bag gloves will be available for this class, however it is recommended that participants provide their own wraps and gloves. This module is perfect for any one that is looking to diversify their routine.

**Total Gym Foundations** (Level 1 and 2) 35-45 minutes– This class is the perfect starting point for all fitness levels. Participants will focus on mastering techniques and breaking through the plateau of traditional workout routines. Exercises focus on muscle control, isolation, full body engagement, core strength and stability, while decreasing the stress joints.

**TRX® Foundations** month long session that costs \$25. This 30 minute class will be a beginner pace that will focus on really learning the straps and understanding how your body works with the suspension trainer. Take the extra time to set up each move individually and focus less on the cardio aspect. Class is offered twice a week for the month long session that costs \$25 or Saturdays for once a week for \$15

**TRX® Core** This extreme core workout is designed to offer you a mix of strength, core stability and balance exercises using your own bodyweight. Meets twice a week to give you the ultimate challenge your core has been waiting for! Great for all levels, ages and abilities. This module will help participants prepare for TRX® Cardio Circuit and TRX® Fusion. Four week session for \$15

**TRX® Core Performance** This 20 minute class will up the intensity a bit from basics but is still a beginner class. The cardio pace is picked up in this class while the core is the main focus the entire time. A twice a week class for the month long session that costs \$25.

**Y-Blitz** An all out fitness war in only 35 minutes. Blitz will provide the CrossFit style workouts that you are looking for. Using everything from weights to tires it will elevate your overall fitness and be a plateau buster. Unlimited Y-Blitz at \$25 per Session.

**Y-Chisel** This class is designed to strengthen various muscle groups using hand weights, resistance bands and stabilization techniques. A full body workout that builds bone density and reshapes muscle to increase efficiency in daily activities.

**Y-Functional Fit Camp** Kettle Bell and TRX Suspension training meets indoor boot camp. This class meets 2 times a week for 45 minutes and will be results driven for the month. Each month has a different focus and will be all about functional training to get you in better shape for everyday life. \$49 for the month.
