OPEN POSITION ANNOUNCEMENT

Our mission and core values are brought to life by our culture. It's who we are, who we aspire to be and how we show up every day. We are: ***Cause-Driven, Welcoming, Genuine, Hopeful, Nurturing, and Determined.***

As a leader in swim education, the YMCA of Metropolitan Milwaukee teaches nearly 4,000 children and adults to swim each year. The Centers for Disease Control and Prevention has warned that drowning is one of the top three causes of unintentional injury death for people 29 and younger, and for African-American children aged 5 to 19, the drowning rate is five times that of white children. Nationally, 70% of African-American children, 58% of Hispanic children and 40% of white children have little or no swimming ability and are at risk of water-related injury or death. The Y's "**Safety Around Water**" partnership with the Milwaukee County Parks will bring affordable swim and water safety lessons to more sites throughout the County in an effort to help reverse these preventable and troubling trends.

Join us and help transform lives!
