Partners with Other Local Organizations in Building a Love for Nature

MILWAUKEE – (June 6, 2018) - In celebration of National Get Outdoors Day, the YMCA of Metropolitan of Milwaukee, with sponsorship of the USDA Forest Service, continues its commitment to improving the health and wellness of Milwaukee families, by hosting a day of FREE, fun, outdoor activities at the Rite-Hite Family YMCA on Saturday, June 9 from 9:30 am until Noon.

National Get Outdoors Day has become an annual event to encourage healthy, active outdoor fun. The invigorating activities at Rite-Hite this Saturday will include kayaking, canoeing, archery and a challenging high ropes course.

“It's so exciting to see the enthusiasm from our dedicated partners that are committed to connecting families, and in particular children, to the value of outdoor activity and play,” said Shanee’ Jenkins, Vice President, Social Responsibility & Strategic Partnership for the YMCA of Metropolitan of Milwaukee, “National Get Outdoors day provides numerous options to participate throughout the city, and is a reminder of how beneficial and enjoyable being outside can be.”

Participating partners will offer opportunities for families to experience traditional and non-traditional types of outdoor activities throughout the Milwaukee area, with an added emphasis on reaching first-time visitors to public lands and reconnecting youth to the outdoors.
