## WELCOME TO YMCA DAY CAMP

At YMCA of Metropolitan Milwaukee Day Camps we pride ourselves with creating a warm and inclusive environment geared towards personal development and relationship building. Our day camps are here to serve as an extension of family and school throughout the summer months.

Every day and during each activity, the YMCA's four core values: honesty, caring, respect, and responsibility are woven throughout our day camps inclusive and welcoming culture. With this foundation in place, we at the Y intentionally integrate character development more deeply into all interactions with our youth to promote social emotional learning.

Our committed staff are dedicated in ensuring that all of our campers are safe, accepted, and respected for who they are. Over the course of the summer our campers will grow socially and emotionally building skills through empathy, relationship building, emotion management, responsibility, and personal development all while having FUN! Ultimately, after a summer at YMCA day camp our children's self-esteem will rise and they will be better prepared to return school with confidence.

## BELONGING • ACHIEVEMENT • RELATIONSHIPS

### OUR CAUSE

We believe that lasting personal change can only happen when we all work together to invest in our children, our health, and our neighbors. That's why, at the YMCA, strengthening community is our cause and passion. Every day, we work side-by-side with our neighbors to make sure that regardless of age, income or background, everyone has the opportunity to learn, grow, and thrive.

The YMCA of Metropolitan Milwaukee Day Camp is focused on creating memories, building relationships, and fostering a sense of belonging through personal achievement. Our concentrated vision is to bridge the gap of summer learning loss through a variety of fun activities along with promoting character development. Raising the bar one summer at a time.
