CLASS DESCRIPTIONS

BODYSTEP® - This is a cardiovascular program that uses an adjustable height step and features high intensity intervals followed by muscle conditioning tracks designed to shape and tone the entire lower body.

SilverSneakers® - Classic 60 minutes. This class will increase muscular strength, range of movement, and activity for daily living skills. Handheld weights, elastic tubing with handles, and a SilverSneakers® ball are offered for resistance; a chair is used for seated and/or standing support.

Y-Chisel - 30 minutes. This full-body conditioning class is designed to strengthen various muscle groups using resistance bands and body weight.

Y-Cardio Funk - A combination of high and low impact aerobics performed in a "funky dance" style.

Y-Cycle - The Y-Cycling program is a no-impact cardiovascular workout performed to music on a stationary bike. Great for all levels of fitness and intensity is controlled individually at each bike.

Zumba® - A fun and effective workout system that combines a tough workout with a party like atmosphere. This Latin dance inspired class is an easy to follow calorie burning fitness party.

Strong by Zumba® - If you love high-intensity interval (HIIT) training, martial arts and beat-driven music, this is the workout for you. This is not a dance based class. In this class you, you will use your own bodyweight to push yourself through a HIIT-like workout. Your instructor will increase the intensity with moves that will include punching, squats, strengthening your abdominals, all while challenging your stabilization and core.

***Xtricity StrYkeForce!**- Impact based Fitness Boxing is has finally arrived! Now you can truly get into the fight with the premier of the Milwaukee YMCA's exclusive Fitness boxing program. Our trained and certified instructors will guide participants through traditional and advanced boxing specific calisthenics, sparring, shadow and heavy bag drills. Each class module will focus on building multiple striking techniques that will help pound through offensive and defensive fight patterns. Participants will be striking (punching) and spotting (holding) a heavy bag through out the work and must be comfortable with impact and partner work phases. This class will change your body and get you Fight ready by increasing your speed, power and endurance. Communal heavy bag gloves will be available for this class, however it is recommended that participants provide their own wraps and gloves. This module is perfect for any one that is looking to diversify their routine.

***Total Gym® Foundations-** This class is the perfect starting point for all fitness levels. Participants will focus on mastering techniques and breaking through the plateau of traditional workout routines. Exercises focus on muscle control, isolation full body engagement, core strength and stability, while decreasing the stress joints.

***Y-Functional Fit Camp** - Kettle Bell and TRX Suspension training meets indoor boot camp. This class meets 2 times a week for 45 minutes and will be results driven for the month. Each month has a different focus and will be all about functional training to get you in better shape for everyday life. \$49 for the month.

***Y-Basic Training** - The perfect starting point for people interested in improving their fitness and reaching certain goals. This class is a great start for people that are new or returning to a structured workout program. Also a great option for people interested in weight loss and improving their overall health.
