If you have a medical condition that prevents you from following the routine, please consult your instructor before class. The warm-up and cool down are important to avoid injury; so for safety reasons, we ask that you not enter a class more than 10 minutes after it has started and do not leave until the cool down is completed. We highly encourage socializing before and after class in the hallways and common areas. We recommend that you bring a plastic water bottle and a towel. Please return all the equipment to that you've used to its proper storage area and alert instructor if any equipment is damaged.
