SOCIAL EMOTIONAL LEARNING (SEL)

Utilizing Sanford Harmony Curriculum, Social Emotional Learning (SEL) is the process through which children and adults understand and manage emotions, set and achieve positive goals, feel and show empathy for others, establish and maintain positive relationships, and make responsible decisions. In our program, we use SEL to help children learn, understand, control, and manage their own emotions and strengthen their social skills.

CATCH

Our programs utilize the Coordinated Approach to Child Health (CATCH) Curriculum, a direct education intervention aiming to prevent childhood obesity in school-age children. The two main behavioral targets are helping children identify and choose healthy foods and increasing moderate-to-vigorous physical activity while having fun!
