everyone plays EVERYBODY WINS

BASEBALL » SOCCER » BASKETBALL

FOR YOUTH DEVELOPMENT®
FOR HEALTHY LIVING
FOR SOCIAL RESPONSIBILITY

When everybody plays, we all win. Our Adaptive Active offerings remove barriers in order to give everyone the opportunity to do what they love. Through partnerships, the Y provides all of us a chance to experience the joy that comes from being active and playing sports. These programs show children and adults of every ability and skill level how to reach their fullest potential.

The benefits of Adaptive Active programs impact everyone involved. People gain confidence and self-esteem as positive relationships develop; independence and responsibility grow while working as part of a team; and a healthy lifestyle is nurtured as physical, social, and cognitive abilities are strengthened.

Our Adaptive Active programs would not be possible without the kindness of volunteers who assist our players and cheer them on. Whether you join us for one game or an entire season, as an individual, with your friends and family, or as part of an organization, we thank you for making a difference!

150 ATHLETES

from Milwaukee, Ozaukee, Racine, Washington,
and Waukesha counties experienced the
excitement of teamwork.

394 HOURS

shared with over 200 volunteers who had fun
coaching and encouraging athletes.

MIRACLE LEAGUE AGES 4+

The Miracle League believes everyone deserves the chance to play baseball. Players with diverse abilities dress in uniforms, make plays in the field, and round the bases, just like their peers in standard baseball leagues.

SUPER HOOPS AGES 4+

The goal of Super Hoops is to provide people with disabilities an opportunity to play recreational basketball in a safe, supportive, and inclusive environment. Qualified volunteers are paired with players to assist on and off the court.

TOPSoccer AGES 4+

US Youth Soccer TOPSoccer is a recreational sports program for children and adults with intellectual, emotional, or physical disabilities. Each player connects with their volunteer and other athletes to have fun playing soccer in a structured, group setting.
